

T-11 FLARED CUPS

KASCO flared cups are available with either a standard steel back plate or a full back that extends over the top edge.

Inquiries for other specifications are welcome.

ALUMINUM OXIDE

- A16-O4B General purpose ferrous metal grinding
- A16-Q4B Longer life (harder bond) for ferrous metal grinding
- A24-Q4B For finer finishes
- A207-M4B For stainless and stainless overlays

SIZE	MAX RPM	PACK	A16-O4B	A16-Q4B	A24-Q4B	LIST
